

Lost and Found

Requirement: My God I

Sabbath, October 3, 2026 · Ages 4–5 · 60–80 minutes · Leader's Guide pp. 37–42 (lamb pattern p. 171, song p. 175)

What the kids will learn

- **What a shepherd does:** he feeds the lambs, cuts their wool, keeps them safe — and **looks for them when they get lost**.
- **David the shepherd boy** (1 Samuel 16–17): he fed and watched his sheep, and when a lion and a bear took a lamb, he **went after it and saved it**. Later he wrote "**The Lord is my shepherd**" (Psalm 23).
- **Jesus is called the Good Shepherd** because He watches over little children, keeps them safe and gives them what they need — the way a good shepherd cares for his lambs.
- How shepherds lived in Jesus' time — **tents, campfires, robes, bare feet or sandals**.

Straight from the Leader's Guide (pp. 37–42):

Gather the Flock (5) · Lamb Tales "The Good Shepherd" (10) · Activities: Shepherd Dress-up (15), The Shepherd Says (15), Lost Lamb Painting (10), Little Lamb, Little Lamb, Who's Got Your Bottle? (10) · Good-baa Little Lambs (5). All four activities fulfil **My God I**.

The 4 Golden Rules (same as last week)

1. **Switch every 5–7 minutes.**
2. **Loud → quiet → loud.** Shepherd Says is loud; the Bottle game is quiet. They're placed to balance each other.
3. **Magic Signal:** "Little Lambs..." → "BAA!" and freeze. Re-teach it in minute one — it's only their second week.
4. **Everybody does, every time.**

Week 2 with a new class

- Use the **mascot name they voted on last week** constantly — it's what makes it "our" club.
- **Open with a quick recall:** "What's a baby sheep called?" (LAMB) "What do sheep give us?" (WOOL). They'll be proud to know.
- They heard the **Lost Sheep** story last week, so today's story is **David the Shepherd Boy** — same big idea, new story. Link them: "Last week a shepherd found a lost lamb. Today a shepherd *boy* saves one!"
- Today's one big idea, said over and over: "**Jesus is my Good Shepherd — He takes care of me and loves me.**"
- Any child who wasn't there last week: a special mascot welcome, and pair them with a "big lamb" buddy.

Schedule — the full 80-minute meeting

I've **re-ordered the guide's four activities** on purpose: the painting goes *first*, straight after the story (the lamb is "lost" — they paint to find it), so it has half an hour to dry before they glue the shepherd on at the end. Shepherd Says burns energy before dress-up; the Bottle game is sitting down, to calm them before goodbye. Purple **BOOST** lines fit inside the slot.

TIME	SEGMENT	WHAT YOU ACTUALLY DO
0:00–0:05	Gather the Flock · guide	The lamb puppet greets each child by name and welcomes them. Everyone sits in a circle. BOOST · Our lamb is LOST! Before the children arrive, hide the mascot somewhere easy — half-peeking out from under a chair or behind a curtain. When they sit: " <i>Oh no... where is [mascot]? He's lost! Can you help me find him?</i> " They find him (it takes 30 seconds), and <i>then</i> he greets everyone. You've just taught the whole lesson's feeling before you've said a word of it.
0:05–0:15	Lamb Tales — "The Good Shepherd" · guide	With the puppet, ask what they remember from last week — lambs, and the lost lamb the shepherd found. Show a picture of a shepherd : he feeds the lambs, cuts their hair (wool), and finds them if they get lost . Then read " David the Shepherd Boy " (print read-aloud-david-shepherd.pdf). <i>Why not the guide's book?</i> It's <i>The Good Shepherd and</i>

the *Little Lost Lamb* (Allia Zobel Nolan, 2006) — the Lost Sheep story they already heard; the guide says "or a book of your choice". After the story, show a **picture of Jesus with sheep or children**: "*David took care of his sheep. Jesus is our Good Shepherd, and He takes care of YOU.*" Then the **three questions** (below in the cheat sheet).

BOOST • Sound effects: give the class their cues before you start — **ROAR** for the lion, **GRRR** for the bear, **strum** for David's harp, "**baa**" when David calls his lambs. Say "ready..." and point. They'll hang on every page waiting for their cue.

0:15–0:25

 **Activity 3 — Lost Lamb Painting (part 1)** • guide

Smocks on. **Ask: "What does a shepherd do if a lamb is lost?"** (He finds it!) "*There's a little lamb lost on your paper. I can't see it — can you? Let's find it!*" Each child gets a sheet of white paper that *looks* blank — you drew a lamb on it in **white crayon** beforehand. They brush thin, pale paint over the whole page and **the lamb appears**. Lay them flat to dry. Full steps overleaf.

BOOST • "FOUND IT!" Tell them to shout "I FOUND MY LAMB!" the moment theirs shows up — "just like David got his lamb back from the lion!"

0:25–0:27

 **Hands & Wiggles**

Smocks off, wipes for hands. Five lamb jumps. Magic Signal to settle.

0:27–0:42

 **Activity 2 — The Shepherd Says** • guide

Simon Says, renamed. Use the lamb puppet to explain that **the little lamb is lost and they're going to help the shepherd find it**. The children stand behind a **masking-tape line**, arms out so they aren't touching. An adult stands several feet away holding the puppet. You call a child's name and a step: "*Zachary, the shepherd says, take two giant steps.*" If you **don't** say "the shepherd says" and they move, they go back behind the line. First to reach the lamb wins. **Two adults demonstrate first.**

BOOST • Good listening = good lambs: each time someone wins: "*You listened to the shepherd's voice! Jesus' sheep listen to His voice too.*" (John 10:27). The class app has a **command caller** if you'd like to mix up the steps.

0:42–0:57

 **Activity 1 — Shepherd Dress-up** • guide

Set up **before class** in a corner: tents out of sheets/blankets over chairs, pillows and blankets inside, **toy sheep** outside round the tents, a pretend **campfire of sticks**, bowls, spoons, pans. Explain that in Jesus' time **shepherds lived in tents, cooked on a fire, wore robes, and went barefoot or in sandals**. Shoes and socks off, dress up in a **t-shirt robe** and **pillowcase headscarf** (tied with jute or ribbon), then pretend to cook or watch over the sheep.

BOOST • Night-time count: at 0:52 call "It's getting dark, shepherds! Bring the sheep into the fold!" They gather the toy sheep inside a blanket "fold" and **count them together**. Quietly slip one toy sheep away first — "Wait... one is MISSING!" — and send them off to find it.

0:57–1:00

 **Costumes Off**

Robes and scarves into the bag, **shoes back on** (keep each pair under the child's own chair — see tips), sit in a semicircle.

1:00–1:10

 **Activity 4 — Little Lamb, Little Lamb, Who's Got Your Bottle?** • guide

Like *Doggy, Doggy, Who's Got Your Bone?* Children in a semicircle. Pretend to feed the puppet with a **baby bottle**: "*Sometimes a lamb's mother can't feed her lambs, so the shepherd helps with a bottle.*" One child is the **shepherd**, sitting at the open end **with their back to the group**, bottle behind them. Point to a child, who quietly takes the bottle, goes back to their spot and hides it behind their back.

Everyone bleats "baa, baa, baa"; the shepherd turns round and **guesses who has it**. Repeat until everyone has been the shepherd.

BOOST · Know the voice: for a second round, *only* the child with the bottle baas. Can the shepherd tell who it is by the voice alone? "Sheep know their shepherd's voice — and the shepherd knows his lambs!"

1:10–1:15

 **Activity 3 — Lost Lamb Painting (part 2)** · guide

The paintings are dry now (if not, hair dryer). Each child **glues a shepherd** next to their lamb — cut out from **painting-kit.pdf**, page 2 — and **colours him in with crayons**. "*Now your lamb has been found! The shepherd is right there with him.*"

1:15–1:20

 **Good-baa Little Lambs** · guide

Circle up. The guide's question: "**What does a shepherd do — and why do we sometimes call Jesus the Good Shepherd?**" Every child gets a turn. Sing "**Jesus Is My Shepherd**" (same song as last week — they'll know it better now). Take-home slips, then rejoin the Adventurers for the closing program.

BOOST · Investiture starts today: sing it **twice** — once slowly with the **sing-along video** (*investiture-2027/song-singalong.mp4*), once on their own. Tell them: "*This is OUR song. One day we'll sing it for all the mums and dads!*" Then play one round of "**Come, little lambs!**" → "**BAA!**" (Scene 1 of the investiture skit) as the last game.

The 60-minute cut: Gather the Flock (5) · Lamb Tales (10) · Painting part 1 (8) · Shepherd Says (10) · Dress-up (12, costumes on over clothes, *skip the shoes-off*) · Bottle game (8) · Good-baa (5) + send the shepherd cut-out home in the take-home bag to glue on there. **Nothing gets dropped** — all four guide activities still happen.

If the lion scares someone: tell them the ending before you start — "the lamb is safe!" — and **stress it**: "David was brave because God helped him. And Jesus helps us too." Keep the roar fun, not scary, and give a worried child the puppet to hold.

Activity 3 in full — Lost Lamb Painting (the magic appearing lamb) guide p. 41, 10 min

How it works: wax crayon repels watery paint. A white-crayon lamb on white paper is invisible — until they paint over it, and the lamb stays white while everything round it turns blue or yellow. **"The lamb was lost, and I found it!"**

Prep BEFORE class (Thursday or Friday)

1. Print **painting-kit.pdf page 1** (the guide's Lamb Pattern, p. 171) at **100%**. Cut it out and use it as a stencil.
2. On **white construction paper**, trace or draw the lamb in **white crayon**, then **colour the whole lamb in** — heavy, **pressing hard**, twice over. Faint crayon = no magic. One per child + 2 spares.
3. Pencil each child's **name on the back** now.
4. **Test one!** Paint over a spare the night before. If the lamb doesn't pop, the crayon is too light or the paint is too thick.
5. Thin **light-coloured tempera** (pale blue or pale yellow) with water until it's **like milk**. Pour into small, shallow dishes — one per two children.
6. Newspaper on the table, smocks (old adult shirts worn backwards work), **1-inch brushes**, cups of water.
7. Print **painting-kit.pdf page 2** — 6 shepherds per page — and **cut them out**. Plus a hair dryer and glue sticks for part 2.

In class — what you say and do

1. Hold up a "blank" sheet. *"A little lamb is lost on this paper. I can't see him! Can you?"*
2. "What does a shepherd do when a lamb is lost?" — **"He FINDS it!"**
3. **Demonstrate on a spare:** big brush strokes across the *whole* page, and watch the lamb appear. Gasp. Really ham it up.
4. Their turn. "Paint everywhere — go all the way to the corners so no lamb can hide!"
5. When it appears: **"I FOUND MY LAMB!"**
6. Lay flat on the drying spot. They'll finish it at **1:10**.
7. **Part 2:** glue the shepherd next to the lamb, colour him in with crayons, and decorate however they want (grass, sun, flowers).

Watch out for: heavy, thick paint hides the lamb — keep it watery · children who paint one small spot — "Oh, I think the lamb is hiding over *here*..." · don't use white paint (obviously!) or dark colours — pale blue/yellow looks like sky and sunshine · a hair dryer on **cool/low**, held well back, finishes any damp ones in a minute · construction paper curls when wet — a heavy book on top while drying.

Activity 1 in full — Shepherd Dress-up guide p. 39, 15 min

Set up before the children arrive

1. **Tents:** a sheet or blanket over two chairs or a table, pegged or clipped. One or two tents is plenty. Pillows and blankets inside.
2. **Sheep:** toy sheep or any stuffed animals placed round the tents, "grazing".
3. **Campfire:** a small pile of sticks (a bit of orange/red tissue paper tucked in looks like flames). Bowls, spoons, pans beside it.
4. **Robes:** large adult t-shirts, one per child. **Headscarves:** pillowcases, with a length of jute or ribbon to tie round the head.
5. A **staff** if you have one (a walking stick, or a broom handle with a cardboard crook taped on).

In class

1. *"When Jesus lived on earth, shepherds didn't live in houses. They lived in **tents**, out with their sheep. They cooked on a **fire**, wore long **robes**, and had **bare feet or sandals**."*
2. Shoes and socks off. T-shirt robe on. An adult drapes the pillowcase and ties the ribbon round it.
3. "Now you're shepherds! What do shepherds do?" — cook dinner, watch the sheep, give them water, keep the wolves away.
4. Play along: "Shepherd! I think I heard a wolf! Are your sheep safe?"
5. **Night-time count** (BOOST, at 0:52), then costumes off at 0:57.

Shoes-off tip: shoes and socks go **under each child's own chair**, socks stuffed inside the shoes. Otherwise getting 10 pairs back on takes the whole of the next activity. · Pillowcases slide off — tie the ribbon **over** the forehead, not round the neck (never round the neck). · Take a photo of the shepherds in their tents for the year-end program.

Games Toolbox — all on-topic, pull one out any time the energy drops

Find the Lost Lamb

One child (the shepherd) covers their eyes. Hide the mascot. The class baas **louder** as the shepherd gets closer, **softer** as they wander away. The best game of the day — play it as often as they ask.

Tell the Story in Order

The 5 David cards, shuffled. Kids put them in order: David cares for the sheep → night watch → lion takes a lamb → David runs after it → lamb saved! Then retell it using the cards.

Follow the Shepherd

Follow-the-leader round the room with the staff — over the "mountain" (a chair), through the "river" (tiptoe), past the "sleeping lion". The lambs follow exactly.

Whose Voice?

Child with eyes closed; one friend says "Baa!" Who was it? Sheep know voices — and Jesus knows each of us.

Count the Flock

Line up 5–10 toy sheep (or paper lambs). Count together. Everyone closes their eyes; you hide one. "How many now? Which one is lost?" Then go and find it.

Shepherd Thumbs

"A shepherd feeds the sheep!" 👍 "A shepherd forgets his lambs!" 🗑️ "Jesus is the Good Shepherd!" 👍 On the class app, page 3.

Brave David

Act the story: one child is David, one is a (gentle!) lion, one is the lamb, everyone else is the flock asleep. The lion tiptoes in and leads the lamb away; David runs after and brings the lamb home — everyone cheers.

Freeze Like a Lamb

Music on — skip like happy lambs. Music off — FREEZE. Your all-purpose energy burner, same as last week.

Teacher Cheat Sheet

Three questions after Lamb Tales (the guide asks for three)

1. **"Who is our Good Shepherd?"** — Jesus!
2. **"What did David do when the lion took a little lamb?"** — He didn't run away — he ran after it and saved it.
3. **"How does Jesus take care of you?"** — He keeps me safe, gives me what I need, and loves me.

What a shepherd does (say it with actions)

- 🌿 **feeds** the sheep — (*pretend to scatter grass*)
- 💧 gives them **water** — (*cup your hands*)
- ✂️ **cuts their wool** — (*snip snip fingers*)
- 🛡️ keeps them **safe** — (*arms round in a big hug*)
- 🔍 **finds** them when they're lost — (*hand over eyes, looking*)

The Bible behind it

1 Samuel 16:11 — David, the youngest of Jesse's eight sons, was out tending the sheep.

1 Samuel 17:34–37 — David tells King Saul he rescued lambs from a lion and a bear, and that the LORD kept him safe.

Psalms 23:1 — "The LORD is my shepherd. He gives me everything I need." (NIRV) — the same words as our song.

Luke 15:3–7 — last week's Lost Sheep story, for linking back.

John 10:11 — "I am the good shepherd." · **John 10:27** — "My sheep listen to my voice; I know them, and they follow me."

The one sentence to repeat all morning

♥️ **Jesus is my Good Shepherd — He takes care of me and loves me!**

"The Shepherd Says" command ideas

- | | |
|--------------------|---------------------|
| 🐘 2 giant steps | 👶 3 baby steps |
| 🐸 1 frog hop | 🔙 1 step backwards |
| 🐑 skip like a lamb | 👉 tiptoe 3 steps |
| 🐼 waddle 2 steps | 🌀 spin, then 1 step |

Tips for 4–5s: let the "tricked" child go back just *one* step, not to the line, if they're getting discouraged · everyone has a turn at being the

shepherd in the Bottle game — keep a mental list ·
"there's a lion in the middle, but the lamb is safe at
the end" — tell them that *before* you read.

🎵 **"Jesus Is My Shepherd" — the closing song** Mark Wakefield, arr. Joann Herrington · Leader's Guide p.

175

*I'm a little lamb today;
Jesus is my Shepherd.
My Shepherd loves me day to day;
Jesus is my Shepherd.
I will follow where He leads;
He gives me everything I need;
I'm a little lamb today,
Jesus is my Shepherd.*

Actions (same as last week): "little lamb" — crouch small · "Shepherd" — hook your arm like a staff · "loves me" — hands on heart · "follow where He leads" — march on the spot · "everything I need" — open hands. The song sheet is in the Meeting 1 folder.
