picture: young David with his father's sheep

A long, long time ago there was a boy called **David**.

David had **seven** big brothers — and he was the youngest of them all.

Join in: count David's big brothers on your fingers — 1, 2, 3, 4, 5, 6, 7! Then hold up one more finger: "and little David!"

picture: sheep eating grass by a stream

David had a very important job.
He was a **shepherd**! He looked after his
father's sheep.
Every day he led them to **green grass**
and **cool water**.

Join in: "Munch, munch" — nibble grass like a sheep. Then slurp some cool water!

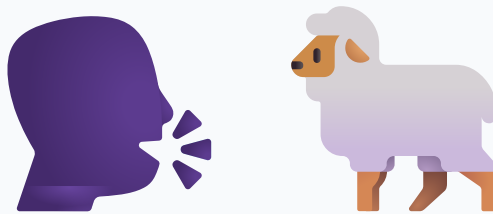

picture: a shepherd's staff, a sling and a harp

David carried a long **staff** to guide his sheep.

And he carried a **harp**. He played songs to God while the sheep ate — *strum, strum, strum.*

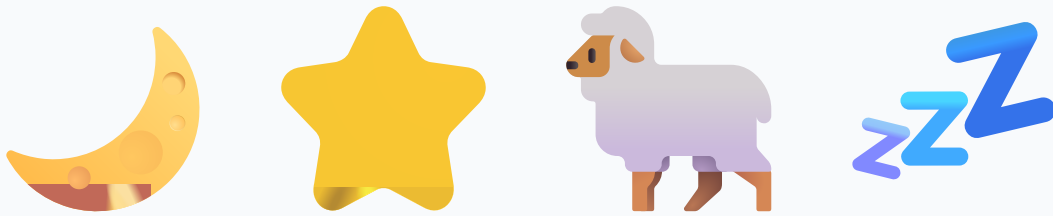

Join in: strum an invisible harp and hum a little tune together.

picture: sheep following David

David knew every one of his sheep.
And the sheep knew David's **voice**.
When he called, *"Come, little lambs!"* —
they all came running.

Join in: you call "Come, little lambs!" — the children answer "BAA!" and shuffle closer to you on their bottoms.

picture: sheep asleep under the stars

At night, the sheep went to sleep under the stars.

But David stayed **awake**. He kept watch, to keep them **safe**.

Join in: lay your head on your hands and whisper "baa... baa..." like sleepy sheep. David stays awake — eyes wide open!

picture: a lion in the dark

Then one night...

ROAR!

A **lion** crept out of the dark — and
grabbed a little lamb!

Join in: everybody do your biggest ROAR — lion paws up! (Then: "Oh no! What will David do?")

picture: David running after the lion

Did David run away? **NO!**

He ran **after** the lion — and he took the little lamb **right back!**

The lamb was safe.

Join in: run fast on the spot... then scoop up a lamb and give it a big hug.

picture: a bear

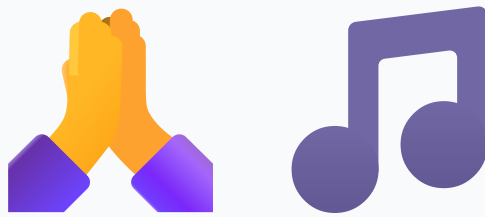

Another time...

GRRRR!

A big **bear** came for the sheep.

And David saved that lamb too!

Join in: a big bear GROWL — then everybody cheer "Hooray for David!"

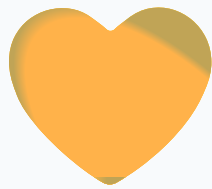

picture: David playing his harp and singing

David said, "**God** helped me. God kept me safe."

Later, David wrote a song. It began:

"The Lord is my shepherd. He gives me everything I need."

Join in: say it together, with actions: "The Lord is my shepherd" (hook your arm like a staff) "He gives me everything I need" (open both hands). That's in our song!

glue a picture of Jesus with sheep or children here

David looked after his sheep.

And **Jesus** looks after **you**!

Jesus is our **Good Shepherd**. He keeps you safe, He gives you what you need — and He loves you.

Join in: point to yourself and say "Jesus loves ME!" Then point to a friend: "Jesus loves YOU!"

After the story — ask these three

1. Who is our Good Shepherd?

Jesus!

2. What did David do when the lion took a little lamb?

He didn't run away — he ran after it and saved the lamb.

3. How does Jesus take care of you?

He keeps me safe, He gives me what I need (food, a family, a home), and He loves me.
