LITTLE LAMB 2026–2027 · MEETING 4

🌟 Hooray for Me

Requirement: My Self I

Sabbath, November 7, 2026 · Ages 4–5 · 60–80 minutes · Leader's Guide pp. 49–54 (closing song p. 175)

🎯 What the kids will learn

- **God made each of them special.** There is only one of each of them in the whole world: their own fingerprints, their own voice, their own face. "*How you made me is amazing and wonderful*" (Psalm 139:14).
- **Everyone is good at something**, and everyone is still learning things too. Both are okay.
- **God knows their name** (Isaiah 43:1), and **Jesus loves children** (Mark 10:14).
- They **can be anything** when they grow up, and God gives each of us gifts to **help others**.

Straight from the Leader's Guide (pp. 49–54): Gather the Flock (5) · Lamb Tales "Self-esteem" (10) · Activities: Self-portrait Puppet (10), Unique Me (10), I Can Be Anything (15), I Can Write (5) · Good-baa Little Lambs (5). All four activities fulfil **My Self I**. The guide's plan is 60 min. The BOOSTs stretch it to about 80 minutes, all on today's theme.

🧠 The 4 Golden Rules

1. **Switch every 5–7 minutes.**
2. **Loud → quiet → loud.** Stations and dress-up are busy; the puppet craft and name-writing settle them before goodbye.
3. **Magic Signal:** "Little Lambs…" → "BAA!" and freeze.
4. **Everybody does, every time.**

🌟 Meeting 4: today's tips

- **Link back:** "*Last week we found out God made the rocks: big ones, little ones, every colour. Today we find out about something God made that is even MORE special… YOU!*"
- Today's one big idea: **"God made me special. There's only one ME!"**
- **Praise effort, not looks:** "You worked so hard on that!" rather than "You're so pretty." Every child gets a turn to be cheered.
- A shy child doesn't have to say what they're good at. Let the puppet say it for them: "*I think Sam is good at sharing!*"
- ⚠️ **Before Sabbath, ask parents about food allergies** (taste test) and **latex allergies** (balloons).

⏱️ Schedule: the full 80-minute meeting

I've **re-ordered the guide's four activities** on purpose. The two busy ones (**Unique Me** stations and **I Can Be Anything** dress-up) come first while energy is high; the **puppet craft** and **I Can Write** are sitting-down work that calms them before goodbye, and the finished puppets join the goodbye circle. Purple **BOOST** lines fit inside the slot.

TIME	SEGMENT	WHAT YOU ACTUALLY DO
0:00–0:05	Gather the Flock · guide	The **lamb puppet** greets each child by name and welcomes them. Everyone sits in a circle. **BOOST · Hooray for…!** As the puppet greets each child, the whole class cheers **"Hooray for [name]!"** with arms up. Then pass round a **hand mirror**: "*Who's that? That's someone God made very special!*" **Voice recording:** while children arrive, a helper records each one saying "*Baa! My name is ___!*" on the class app (page 6) or a phone, ready for the Whose Voice? station.
0:05–0:15	Lamb Tales: "Self-esteem" · guide	**Each child says something they are good at** (the puppet asks: running, drawing, singing, hugging, helping Mom…). **Tell them God made each of them special.** Then read **"Hooray for Me! God Made Me Special"** (print **read-aloud-hooray-for-me.pdf**). *Why not the guide's book?* It's *What I Like About Me* by Allia Zobel Nolan (Reader's Digest, 2009), and there's no printable copy. The guide says "or a book of your choice". **After the story, sing "What a Miracle" (Hap**

		Palmer). It's the same song the class sang at last June's investiture, and **what-a-miracle.mp3** is in this folder (the class app plays it on page 4). **BOOST · Do the actions:** clap on "hands", stand on "feet", swing on "arms", **balance on one foot**. Sing it twice. The second time, stop the music and let them call out the next body part.
0:15–0:32	🔍 Activity 2: Unique Me · guide	**Discovery stations** set up before class, each with a sign (**unique-me-stations.pdf**): **1** How tall? How heavy? (bathroom scale + yardstick/tape on the wall) · **2** Big Breath Balloon · **3** My Fingerprints (ink pad + magnifying glass) · **4** Taste Test (fruit and veg; star sticker by each one they liked) · **5** Whose Voice? (play the recordings back and guess). Small groups with a helper, **3 minutes per station**. Each child carries an **All About Me card** (page 6 of the stations PDF), and the helper fills in each box. **BOOST · "Nobody else has these!"** At fingerprints, have them compare their thumbprint with a friend's under the magnifier: *"They're different! God made only ONE you."* Finish the stations with **Whose Voice?** as a **whole group** on the class app (page 6). Kids *love* hearing themselves. The app also has **Fingerprint Twins** (page 7) and **Fruit or Vegetable?** (page 8) for anyone waiting.
0:32–0:34	🧼 ***Hands & Wiggles***	*Wipes for inky fingers. Cards collected (they go home at the end). Five jumps: "God made my legs to JUMP!" Magic Signal to settle.*
0:34–0:49	👩‍🚒 Activity 3: I Can Be Anything · guide	Show **pictures of people doing different jobs**, men and women, from different backgrounds (**job-cards.pdf**). Then the children **dress up and play**: firefighter (rain coat, garden hose), nurse (scrubs, Band-Aids, stethoscope), police officer (badge, pen & paper), chef (apron, spoons, bowls, measuring cups), artist (smock, art supplies), construction worker (hard hat, toy dump truck, small hammer, wood), vet (big white shirt, stuffed animals, bandages, dog brush). **BOOST · Who Helps?** Before dress-up (3 min), pull one prop at a time from a bag. "Who uses a stethoscope?" Or play **Who Helps?** on the app (page 9). At the end of dress-up, each helper says *"I'm a ___ and I help by ___!"* Tie it up: **"God gave YOU gifts, and you can use them to help others"** (1 Peter 4:10). Take a photo of the line-up for the year-end program.
0:49–0:51	🧤 ***Costumes Off***	*Everything back in the dress-up box. Sit at the craft tables.*
0:51–1:03	🎨 Activity 1: Self-portrait Puppet · guide	**Show them the puppet you made.** Then they make their own **paper-bag puppet**: glue on **yarn for hair** (short 10 cm and long 25 cm pieces), **buttons for eyes**, and **crayons** for the rest (nose, mouth under the flap, ears, cheeks). The guide says: *they may not make a puppet with their own hair and eye colour. That's okay; let them have fun and make it any way they want.* Full steps overleaf. **BOOST · Puppet hello:** when it's finished, the puppet introduces its maker to the table: *"Hi! This is Sam, and Sam is good at…"*
1:03–1:10	🖍️ Activity 4: I Can Write · guide	Lots of paper and crayons. Each child has **their name on a sheet**, plus **shapes** (circle, square, star) and **letters with pictures** (i-can-write.pdf). They **copy** their name, the shapes, and any letters they like. Go at each child's level: some trace, some copy, some just scribble the first letter, and all of it is fine.

		BOOST · Find your letter: "What letter does YOUR name start with?" Find it on the ABC page and colour its picture. Fast finishers can trace their name with a finger on the app (page 10).
1:10–1:17	🎵 Good-baa Little Lambs ▪ guide	Circle up, **puppets on hands**. The guide's question: **"Why is it good to be you?"** Every child answers (or their puppet does!). Sing **"Jesus Is My Shepherd"**. All About Me cards, puppets, name sheets and take-home slips go home. Rejoin the Adventurers for the closing program. **BOOST · Investiture practice:** sing "Jesus Is My Shepherd" **twice**: once with the **sing-along video** (*investiture-2027/song-singalong.mp4*), once on their own. Then one round of **"Come, little lambs!"** → **"BAA!"** from the skit.

The 60-minute cut (the guide's own timing): Gather (5) · Lamb Tales + song (10) · Unique Me with only **3 stations**: measure, fingerprints, taste (10) · I Can Be Anything (15) · Puppet (10) · I Can Write: name only (5) · Good-baa (5). **Nothing gets dropped**; all four guide activities still happen.

If you have only one helper: run stations 1–3 one child at a time while the others play Fruit or Vegetable? / Fingerprint Twins on the app; do the taste test **all together** round one table, and Whose Voice? as a whole group.

🔍 Activity 2 in full: Unique Me guide p. 52, 10 min (17 with BOOST)

The five stations (one sign each, **unique-me-stations.pdf**)

1. ⚖️ **How tall? How heavy?** Bathroom scale + a yardstick or measuring tape stuck to the wall. The helper writes both on the card. "*You've grown since you were a baby. God made you to grow!*"
2. 🎈 **Big Breath Balloon.** One big breath into a balloon. The helper pinches the neck and holds it against the **size guide** (page 7): good / big / GIANT breath. Circle the size on the card. **New balloon for every child.**
3. 🔍 **My Fingerprints.** Press a thumb on a **washable ink pad**, then onto the card's fingerprint boxes. Look with a magnifying glass: loops, swirls, lines.
4. 🍎 **Taste Test.** Small pieces of 4–6 fruits and vegetables (apple, carrot, banana, cucumber, grapes, red pepper). After each taste, a **star sticker** by the foods they liked on their card.
5. 🎤 **Whose Voice?** Play the recordings made at arrival, one at a time, and guess who it is. Best as a whole group on the app at the end.

Prep before class

- Print the 5 signs + **All About Me cards** (2 per page, 1 per child) + the balloon size guide.
- Tape the measuring tape to the wall, **0 at the floor**.
- Wash and cut the foods; small bowls and toothpicks or tongs. **Grapes and cherry tomatoes cut in quarters.**
- Star stickers, washable ink pad, wipes, magnifiers, balloons, a pen at each station.
- Test the class app's voice recorder (the browser asks for **microphone permission**), or use your phone's voice-memo app.

> **Safety: check food allergies with parents first**, and skip any food a child is allergic to entirely, not just for that child · **latex balloons**: skip the balloon station for anyone with a latex allergy (or use latex-free balloons); burst balloon pieces are a **choking hazard**, so put them straight in the bin · some children are sensitive about weight, so the helper reads the scale *quietly* and just writes it down, without announcing it.

🎨 Activity 1 in full: Self-portrait Puppet guide p. 51, 10 min (12 with BOOST)

Prep before class

1. **Make one sample puppet** yourself (the guide asks for this). It takes 10 minutes and shows them what to aim for.
2. Buy **yarn in the same colours as your children's hair** (black, dark brown, brown, blond, red…). Cut it into **4 in (10 cm) and 10 in (25 cm)** pieces with the true-size cutting guide in **puppet-kit.pdf**. Sort by colour into cups.
3. **Buttons** for eyes (blue, brown, green, black) in a dish.
4. One **paper lunch bag** per child + spares, name on the back.
5. **Glue** in plastic lids (tacky glue holds buttons best), crayons or markers.

In class

1. Show your puppet: "*This is ME! What colour is my hair? My eyes? Now you make YOU!*"
2. The **bottom flap of the bag is the face**. The mouth goes on the bag *under* the flap, so it "talks" when they open and close their hand.
3. Glue on the **hair**: short pieces across the top, long pieces down the sides.
4. Glue on **button eyes** and press for a count of 5.
5. **Crayon** the nose, mouth, ears, cheeks, eyebrows (or use the optional cut-outs in puppet-kit.pdf).
6. Puppet hello (BOOST), then lay them flat to dry until goodbye.

> **Watch out for:** too much glue makes the yarn slide, so use a thin line of glue and press the yarn into it · buttons go in mouths, so keep the dish with an adult · a child who wants purple hair can have purple hair! The guide says so: "let them have fun".

👩‍🚒 Activity 3 in full: I Can Be Anything guide p. 53, 15 min

Set up before class

- Print **job-cards.pdf**: 8 helpers, **men and women from different backgrounds**, as the guide asks. Stand the cards round the dress-up corner.

In class

- Show each card: "*What does a firefighter do? Could a girl be a firefighter? Could a boy be a nurse? YES! You can be anything.*"

- Group the dress-up items in a box or basket per job (list on each card). Ask parents on WhatsApp to lend items: **hard hats, aprons, toy stethoscope, rain coats**.
- A "**who-helps bag**" with one prop per job for the BOOST guessing game.

- Free play: **change jobs every few minutes** when you ring the bell.
- Finish with the helper line-up (BOOST) and one photo.

> **Tip:** keep the garden hose dry and short, and use a toy hammer only with soft wood or foam blocks. The bandages and Band-Aids will run out fast, so bring plenty.

🛒 Supply List

- [ ] **Lamb puppet** (the class mascot) + a hand mirror
- [ ] Laptop/tablet + speaker (app + **what-a-miracle.mp3**)
- [ ] Yarn in hair colours, cut 10 cm + 25 cm
- [ ] Crayons or markers
- [ ] Balloons (latex-free if anyone is allergic), 1 per child
- [ ] Magnifying glasses (2–3)
- [ ] Star stickers
- [ ] Job picture cards (print **job-cards.pdf**)
- [ ] Dress-up: badge, aprons, spoons, bowls, measuring cups
- [ ] Dress-up: big white shirt, stuffed animals, dog brush
- [ ] Paper + crayons; name sheets (**i-can-write.html**)
- [ ] Read-aloud (print **read-aloud-hooray-for-me.pdf**)
- [ ] Paper lunch bags, 1 per child + spares
- [ ] Buttons (eyes), tacky glue, plastic lids
- [ ] Bathroom scale + yardstick / measuring tape + tape
- [ ] **Washable** ink pad + wipes
- [ ] Fruit & veg samples (allergy-checked), bowls, toothpicks
- [ ] Phone/tablet to record voices
- [ ] Dress-up: rain coats, hose, scrubs, Band-Aids, stethoscope
- [ ] Dress-up: smocks, hard hats, toy truck & hammer, wood
- [ ] A bell (rotate stations / change jobs)
- [ ] Printouts: station signs, All About Me cards, puppet kit, slips

📋 Prep Checklist

- [ ] **WhatsApp parents:** food & latex allergies? Lend a dress-up item?
- [ ] Cut and sort the yarn (true-size guide, puppet-kit.pdf page 2)
- [ ] Print signs, All About Me cards, balloon guide (100% scale), job cards, read-aloud, slips
- [ ] Test the app's **voice recorder** and the song playing through the speaker
- [ ] Make your **sample puppet**
- [ ] Open **i-can-write.html**, type the children's names, print a sheet each
- [ ] Buy fruit & veg; wash and cut on Sabbath morning
- [ ] Arrive **25 min early**: tape on the wall, 5 stations, dress-up corner, craft table

🎮 Games Toolbox: all on-topic, pull one out any time the energy drops

🙋 Stand Up If...
"Stand up if you have brown eyes!" "...if you like bananas!" "...if you have a baby brother!" Everyone different, everyone special. Finish with "Stand up if GOD MADE YOU!", and everybody jumps up.

🕵️ Who Am I?
Describe a child without saying the name: "This lamb has a red shirt and loves to sing..." Everyone guesses. Make sure every child gets a turn.

🎤 Whose Voice?
The recordings from Gather. On the app (page 6), or on your phone. Endless giggles.

👍 I Am Special Thumbs
"God made only one YOU!" 👍 "Everybody's fingerprints are the same!" 👇 On the class app, page 2.

🪞 Mirror Me
Pairs face each other. One moves slowly, and the other copies like a mirror. Swap. "Your body can do SO many things God made it to do!"

🦸 Helper Charades
Act out a job (spraying a hose, stirring a pot, listening with a stethoscope); the class guesses the helper.

🎵 Miracle Freeze
Play "What a Miracle". When the music stops, freeze in the last action: clapping, standing, swinging or balancing on one foot!

🚦 Freeze Like a Lamb
Music on: skip like happy lambs. Music off: FREEZE. Your all-purpose energy burner.

📝 Teacher Cheat Sheet

Three questions for Good-baa (the guide asks one; add two)

1. **"Why is it good to be you?"** God made me special! There's nobody else just like me.
2. **"What are you good at?"** Every answer is right: running, colouring, sharing, hugging, singing...
3. **"Who knows your name?"** God does! (Isaiah 43:1)

"What a Miracle" actions

- 👏 **hands**: clap · 🧍 **feet**: stand up tall
- 🙆 **arms**: swing side to side · 🦩 **one foot**: balance!
- 🌟 **"what a miracle"**: arms wide, then point to yourself

The words are in last year's investiture folder (*investiture/song-video/lyrics.txt*); the song is copyrighted, so they aren't printed here.

The Bible behind it

Psalm 139:14: "How you made me is amazing and wonderful. I praise you for that." (NIrV)
Isaiah 43:1: "I have called you by your name; you are Mine." (NKJV)
Mark 10:14: "Let the little children come to me." Jesus welcomes children.
Genesis 1:27, 31: God made people, and saw that it was *very* good.
1 Peter 4:10: God gave each of us gifts to use to help others.

The one sentence to repeat all morning

🧡 God made me special. There's only one ME!

> **Tips for 4–5s:** some children find "say something you're good at" hard. Offer two choices: "Are you good at running or at drawing?" · cheer *effort*: "You kept trying!" · in dress-up, make sure no one says "that's only for boys/girls"; answer cheerfully with "Anybody can be a ___!"

🎵 "Jesus Is My Shepherd": the closing song

Mark Wakefield, arr. Joann Herrington · Leader's Guide p. 175

I'm a little lamb today;
Jesus is my Shepherd.
My Shepherd loves me day to day;
Jesus is my Shepherd.

I will follow where He leads;
He gives me everything I need;
I'm a little lamb today,
Jesus is my Shepherd.

Actions: "little lamb": crouch small · "Shepherd": hook your arm like a staff · "loves me": hands on heart · "follow where He leads": march on the spot · "everything I need": open hands. The song sheet is in the Meeting 1 folder.
