UNIQUE ME · STATION 1

How Tall? How Heavy?

Look how big God made you!

1

Stand tall against the wall

2

A grown-up measures you

3

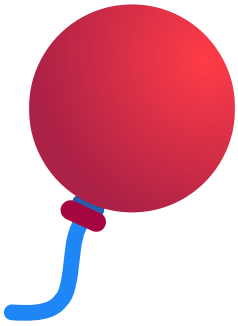

Stand still on the scale!

Helper — what to say and ask

Tape a **yardstick or measuring tape to the wall**, 0 at the floor. Shoes off, heels to the wall, a book flat on top of the head, then read it. Then the bathroom scale. Write both numbers on the child's **All About Me** card. Ask: **"Do you think you're taller than last year?"** Say: "*God made you just the right size for you — and you're growing every day!*" Never compare children ("you're the smallest") — every size is the right size.

⚠️ **Safety & kindness:** say the weight quietly to the helper, not out loud to the group. Hold a hand while they step on and off the scale.

UNIQUE ME · STATION 2

Big Breath Balloon

How big is YOUR breath?

1

Take ONE big, deep breath

2

Blow it all into the balloon

3

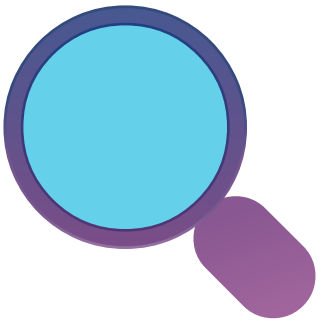

Hold it over the rings — how big?

👩‍🏫 Helper — what to say and ask

Give each child **their own balloon** (name on it in marker). Stretch it a few times first — new balloons are hard for little lungs. Count **"1, 2, 3, BIG breath… BLOW!"** Then you **pinch the neck closed** and hold the balloon over the **balloon size rings** (page 7): good breath / big breath / GIANT breath. Circle it on their card. Say: "*God gave you lungs to breathe — you don't even have to think about it. He keeps you breathing all day and all night!*"

⚠️ **Safety:** check for **latex allergies** first (use latex-free balloons if anyone is allergic). An **adult holds** the balloon neck and lets the air out — no tying, no popping. If one bursts, **pick up every piece at once** and bin it: balloon pieces are a choking hazard. One balloon per child, never shared.

UNIQUE ME · STATION 3

My Fingerprints

Nobody else has YOUR swirls!

1

Press your thumb on the ink pad

2

Press it on your card — roll it a little

3

Look close with the magnifying glass!

👩‍🏫 Helper — what to say and ask

Hold the child's thumb gently: **press on the pad, then press and roll** slowly from one side to the other in the box on their card. Left thumb in one box, right thumb in the other. Look together: **"Can you see lines? Do they go round in circles, or make a hill?"** Compare with a friend's: they're different! Say: "*God made only ONE you. Nobody in the whole world has these fingerprints — not even a twin!*"

⚠️ **Safety:** use a **washable** ink pad (or a washable marker coloured onto the thumb). Wipes ready, and wipe the thumb straight away — before it touches clothes or faces.

UNIQUE ME · STATION 4

Taste Test

What do YOU like?

1

Clean hands first!

2

Try a tiny taste of each

3

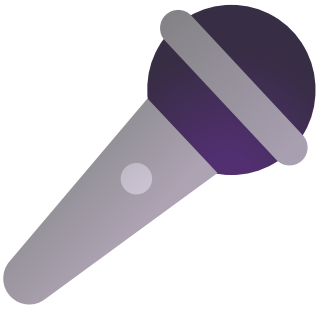

Put a star by the ones you liked

Helper — what to say and ask

Six small bowls, each labelled with its picture: **apple, carrot, banana, cucumber, grapes, sweet pepper** (swap any — just match the card). Toothpicks or a spoon per child. After each taste: **"Yummy or not for you?"** — they put a **star sticker** in the box under every food they liked. "No thank you" is fine; trying is brave, not required. Say: "*God made SO many good foods! Some of us like carrots, some like bananas — God made us all different.*"

⚠ **Safety: CHECK FOOD ALLERGIES WITH EVERY PARENT FIRST** — keep a list at this table. No nuts. Cut **grapes and cherry tomatoes into quarters**, carrots into thin sticks or grated, everything bite-size. Children sit while they eat. Hands washed before and after.

UNIQUE ME · STATION 5

Whose Voice?

Can you guess who's talking?

1

Say "Baa! I'm a little lamb!"

2

A grown-up records you

3

Listen… whose voice is it?

🧑‍🏫 Helper — what to say and ask

Record each child on a phone or tablet saying the same line: **"Baa! I'm a little lamb!"** — or use the **class app, page 6** (it records and then plays the guessing game for you). Easiest: record everyone **as they arrive** during Gather the Flock, then play the guessing game here. Play one voice — the others guess. Did they know their own voice? Say: "*Every voice is different. God knows YOUR voice — He loves to hear you talk to Him when you pray!*"

⚠️ **Privacy:** keep the recordings on the class device only — don't post them, and delete them after the meeting.

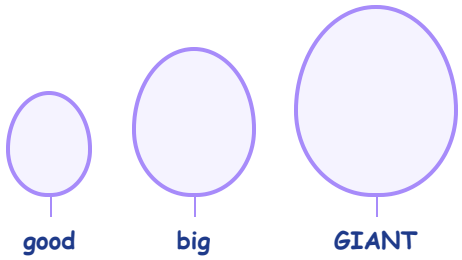

All About Me!

My name: _____

I am _____ cm tall

I weigh _____ kg

My big breath — circle it!

My fingerprints

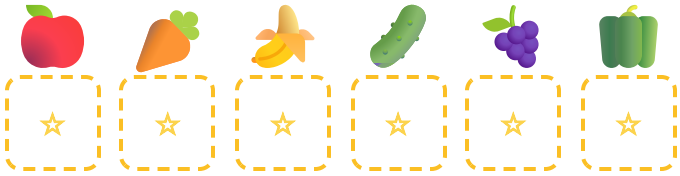

left thumb

right thumb

No one else has these!

My voice ☐

I liked:

"How you made me is amazing and wonderful!" Psalm 139:14

🎈 Balloon Size Rings

Hold the blown-up balloon (neck pinched) **flat over the rings**, looking straight down. Which ring is it closest to? Circle that balloon on the child's card.

Rings are **10 cm, 15 cm and 20 cm** across (a 30 cm ring won't fit on a letter page). Print at **Scale 100%, Margins None**; check the 20 cm ring with a ruler.
