

1

I'm a little lamb today;

Crouch down small, hands up like lamb ears

2

Jesus is my Shepherd.

Stand up, hook one arm like a staff

3

My Shepherd loves me day to day;

Hands on your heart, sway side to side

4

Jesus is my Shepherd.

Hook your arm like a staff again

5

I will follow where He leads;
March on the spot

6

He gives me everything I
need;
Open both hands and lift them

7

I'm a little lamb today,
Crouch down small again

8

Jesus is my Shepherd.
Stand tall, arms up high, hold the last
note
